INTERFERENCE SEARCHED			
Class	Subclass	Date	Examiner

The image consists of two horizontal black lines. The top line has two vertical tick marks on its left side and two vertical tick marks on its right side, dividing it into four equal segments. The bottom line also has two vertical tick marks on its left side and two vertical tick marks on its right side, dividing it into four equal segments. The vertical lines are positioned such that they intersect the horizontal lines, creating a series of rectangular and trapezoidal shapes between them.
